Is this about your old man?

Huh... Does he think it was someone else?

Does he think I'm Santa's grandson?

Well... No, Santa is not my grandfather ...

Uh... What...?

Realisti -cally, a child turning into an old man...

But another old man would explain it, since he always showing up when you're in trouble.

Even I thought for a moment that you might be Santa him -self... but that's impossible.

Um! Well...

So my question is... How did your grandfather come to be in your life?

Had the dumbest interaction with a coworker,
He put a grilled cheese on a salad (Our salads have one bit of toast) and he handed it out. 4 mins later he asks where his grilled cheese for another order went. He was told that it was right on the cutting board, and he went to go look for it... AND, Y'ALL, THIS MAN DEADASS LOOKED UNDER THE DAMN CUTTING BOARD. It was the fucking hardest laugh I've had a work in a while, I was told that my face was red.
